Honeymoons in Bombay

Full disclosure: we grew up in Bombay (real Bombayites rarely call her 'Mumbai') so we've got a soft spot for the city (another tip: the clichéd phrase 'Maximum City' will probably elicit a weary or bored look from a local).

She's a dynamic, whirling dervish of a city that isn't afraid to flaunt her charms or her wealth and, as the home to both the Bombay Stock Exchange and Bollywood, only the finest will do for her because she's worth it!

Most couples rarely consider Bombay as a honeymoon destination but as India's wealthiest and most liberal city, there's more than enough to keep couples stimulated during their honeymoon.

For the party animals there's a different club for each day of the week. If you get bored of them you could always just create your own pop-up club/rave. Seriously. Ask for more details.

For those who enjoy fine dining, Bombay has some of India's best restaurants. If you fancy rolling up your sleeves and getting your hands finger-lickin' sticky then you'll be spoilt for choice: every eatery, from street sandwich-makers to working men's cafes and canteens, takes pride in its creations and Bombay is probably the best place in the world to try dishes unique to Bombay, such as pav bhaji and vada pav.

From mid-November to late February Bombay enjoys almost perfect weather: warm, dry, sunny days and breezy, balmy evenings...perfect for exploring the city while basking in the warm glow of her lights.

There's more to Bombay than just money and glamour. There's a thriving multi-lingual theatre scene and art galleries are spread out all over the city. Want more culture? Hop on the ferry to Elephanta Island to view the Elephanta Caves and their millennia-old rock carvings.

The city is home to some of the world's most iconic and prestigious hotels and most come with highly regarded spas (Bombay women take their "spa-cations" seriously!). Treat yourself to a makeover, unwind, recharge your batteries and hit the town again! It takes a lot of energy to experience this energising city.

There's far more to Bombay than can be covered in our mini-brochure but we hope you find it useful. Of course, we're happy to answer questions about Bombay and make suggestions.

Best time to visit:
Mid-November to late February

Ideal For:
Couples that like to dance late in to the night, any night of the week;
couples who thrive on a frenetic pace; couples who enjoy the finer things in life: Bombay has some of the best shopping in the world.
Foodies; Couples who enjoy an eclectic cultural fix.

About us

Vishni Weddings & Honeymoons is a subsidiary of UK-based Druveeniya Events Ltd.

We like to think of ourselves as a tiny company that can conjure (we deliberately chose that verb as we believe honeymoons should be magical) up the perfect honeymoon in India. The fact that they're free to clients who organise their weddings with us is a bonus. Why bother with a proverbial (and non-existent) free lunch when you can have a very real free honeymoon (terms and conditions apply, of course)!

Why choose VW&H?

- » As we're a UK-registered and insured company, our clients are afforded the full protection of the UK's consumer protection legislation.
- » We're fully insured by Hiscox and we're represented by Harbottle & Lewis in the U.K, Amineddoleh & Associates in the U.S. and WeirFoulds in Canada. We maintain the very highest standards of compliance and transparency in the way we conduct our business. In fact, we're so confident of our professionalism that we encourage prospective clients to first shop around to see if they can find a wedding & honeymoon organiser anywhere in the world that matches our observance of best practices.
- » We and our Indian partners have over 50 years' worth of collective experience in the travel industry, especially in India but we would never claim to be "experts". There's no such thing as an expert when it comes to India; the country's too large and diverse. Despite our experience, we're constantly discovering new attractions in India and we can't wait to share them with you!

What other services do you offer?

- » We might be a small company but we offer a wide array of services. For example, we can assist with choosing locations, designing cards and gifts, websites etc.
- » We don't just organise weddings...we also organise (tasteful!) bachelor and bachelorette parties that your mums, dads, uncles, aunties and grandparents would enjoy (like we said earlier, "family-centric"). If you have a favourite DJ or band let us know and we'll try and get them for your event/s.

Business Hours: We take your wedding plans very seriously so we're open 'til late (8pm), seven days a week.

Registered Address: 7 Plaza Parade, London NW6 5RP, London, England.
