Weddings in Bombay

Full disclosure: we grew up in Bombay (real Bombayites rarely call her 'Mumbai') so we've got a soft spot for the city (another tip: the clichéd phrase 'Maximum City' will probably elicit a weary or bored look from a local).

It's a dynamic, whirling dervish of a city that underplays her charms - she's more focused on making money, as are her denizens (it's the home of the Bombay Stock Exchange, after all)- but she sure does have her charms. She's all business from dawn to dusk but once the sun dips, she glams up (how could she not, being the home of Bollywood!), her lights come alive, and a warm glow emanates from the city as the evening breeze off the Arabian Sea makes her nightly appearance.

But there's more to Bombay than just money and glamour. Bombay has a thriving multi-lingual theatre scene and art galleries spread out all over the city.

The city is home to some of the world's most iconic and prestigious hotels and weddings there are slick, stylish, and occasionally, ostentatiously opulent (it is, after all, India's wealthiest city).

There's far more to Bombay than can be covered in our mini-brochure but we hope you find it useful. Of course, we're happy to answer questions about Bombay and make suggestions.

Best time to get married in Bombay:
Mid-November to late February

Ideal For:
Couples who desire an urban wedding in one of the world's most pulsating cities; couples who thrive on a frenetic pace; couples who enjoy the finer things in life: Bombay has some of the best shopping in the world and the most mouth-watering and varied dining scene in the world. Few other cities serve up delicious road-side snacks as well as Michelin standard cuisine the way Bombay does. So, yes, it's perfect for couples with big appetites!

About us

Vishni Weddings & Honeymoons is a subsidiary of UK-based Druveeniya Events Ltd.

We like to think of ourselves as a tiny company that can conjure (we deliberately chose that verb as we believe weddings should be magical) up big Indian weddings...and little ones...and everything in between!

We want to organise an unforgettable wedding for our clients. Weddings can be complicated and stressful events, especially so in India with its unique and idiosyncratic work ethics and characteristics. With its partnerships with experienced and reputable wedding organisers, Destination Management Companies and hotels in India, VWs&Hs can plan and execute weddings and honeymoons to fulfil clients' wishes and, more importantly, do the heavy lifting. After all, we want our clients to save their energies for the festivities!

Why choose VW&H?

- » As we're a UK-registered and insured company, our clients are afforded the full protection of the UK's consumer protection legislation.
- » We're fully insured by Hiscox and we're represented by Harbottle & Lewis in the U.K, Amineddoleh & Associates in the U.S. and WeirFoulds in Canada. We maintain the very highest standards of compliance and transparency in the way we conduct our business. In fact, we're so confident of our professionalism that we encourage prospective clients to first shop around to see if they can find a wedding & honeymoon organiser anywhere in the world that matches our observance of best practices.

What other services do you offer?

- » We might be a small company but we offer a wide array of services. For example, we can assist with choosing locations, designing cards and gifts, websites etc.
- » We don't just organise weddings...we also organise (tasteful!) bachelor and bachelorette parties that your mums, dads, uncles, aunties and grandparents would enjoy (like we said earlier, "family-centric"). If you have a favourite DJ or band let us know and we'll try and get them for your event/s.

Business Hours: We take your wedding plans very seriously so we're open 'til late (8pm), seven days a week.

Registered Address: 7 Plaza Parade, London NW6 5RP, London, England.
